Hi,

Wondering if I'm supposed to be billing for my BP Whiting time. Thanks.

From my position as an OSC, I don't care either way, I just need to know what is being changed to the site for cost tracking with the USCG funds center. You could address it with my supervisor Charles Gebien if you have questions.

Thanks,

mike

I haven't received any direction on this. Should I be reporting my hours?

I know you have a ton going on, so please let me know if there's someone I should talk to.

Thanks,
Ronna

If you are billing any time to the BP Whiting Crude Spill Site, please email by Close of business on 3/28/14 with the number of hours you will be billing to the site. If it is none, please let me know.

Thank you
